Kristen,

It looks like DNR is available on the 5th. Please let me know if your group can make that date so I can make my travel plans.

Thank you.

Bob

Chris, Judy and I are available to meet. We have reserved a room at the Rhinelander Service Center for the 5th. Chris is working with REI on getting the information out to us before the meeting.

We are committed to service excellence.

Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

Subject: Technical meeting for Tower Standard

Hi John,

Have you heard whether your group is available on Feb. 5 to discuss the site?

I am still waiting to hear back from the tribe also, but wanted to check. Also, I will be sending another request to REI to get the well logs, sampling sheets, etc. from the last field effort. We have not yet received the information and I want to get it to our contractor so they can produce some figures for me, but I need this information. This was noted in the last letter sent to the Kozaks and Mrs. Kozak told me that she forwarded the letter to Dave at REI.

Thanks.

Bob
